

## Bedeau Selected for NEA Leadership Program

Paducah Tilghman High School's Tornado Alley Youth Services Center director Lakilia Bedeau has been selected to represent the state of Kentucky in the National Education Association [Leaders for Tomorrow program](#).

The Leaders for Tomorrow program was created to train current and future Education Support Professional (ESP) leaders in leadership attitudes, skills, and knowledge. The overarching goal is to develop skilled ESP leaders across the 50 states. Each year 20 ESP members are selected to participate in the program through an extremely competitive process.

Bedeau will be part of a three-session training process held over an eight-month period. The first session will be held in Washington, DC July 17-22.
